About the Colorado Miners -

The Colorado Miners Club was founded in 2004. We provide year round basketball opportunities to learn to play the game the right way for players in grades 5 through 12. For those athletes willing and able to play at the next level, we offer a proven recipe for recruitment that have helped similar athletes and families set and achieve their goals for years.

The Club's motto;

"Be a Good Player...Be a Better Person"

We understand that to succeed in life, players need to learn to excel on the court, to achieve in the classroom, and to contribute to their communities. The Colorado Miners have been on the circuit for 11 years, garnishing praise and respect from tournament directors and coaches throughout the western region. We have been integral in assisting over 120 players to earn scholarships, including over 25 at the D1 level and 13 playing professionally.

All this without shoe/corporate sponsorships.
