

COMPETITIVE BASKETBALL LEAGUE COACHES' GUIDE

HOW TO START A FEEDER PROGRAM

1. Assign a volunteer to serve as a program or team coordinator.
2. Communicate with parents in your area to gauge interest. Start with your high school summer camps or back-to-school activities (June - August).
3. Work with your high school coach and/or local school, reserve space to hold a practice/tryout (August - October).
Send us your tryouts and we will post them on our website to help spread the word.
4. Seek volunteer coaches for the number of teams/players interested.
5. Form your team's roster(s) and select your division based on level of competition: Gold, Silver, Bronze.
6. The coach registers the team in the league and invites players to their roster. Team registration opens July 1 and closes November 16, 2026.
*Registration Fee: \$230 Per Player - Scholarships Available
Coaches are required to invite players to their roster. Once invited, players must register and pay to join your team.
Coaches are encouraged to sign up their teams for our preseason tournaments.*
